White Memorial Program, Monday Oct 29th

The White Memorial Conservation Center is set to visit the library on Monday, October 29th from 4-5pm. Carrie Szwed, the Education Director at White Memorial will present "Sounds of Nature's Music." Identifying animals by sound is a great way to get to know the creatures that call Connecticut home. Audiences will learn just "who-who-whoooo" is making those common noises we hear in nature. Shakespeare, a live barred owl, will make an appearance too! This program is funded by a grant from Civic Family Services. For more information call or email the library.

Gingerbread House Workshop

On Friday, Dec 7th at 4pm come and join your friends to make your own gingerbread house. In this popular workshop you'll get everything you'll need to make a miniature gingerbread house to take home. Registration is required.

Holiday Story Time

On Friday, Dec 21st at 6pm we will have a pajama story time with stories and a holiday craft. Hot cocoa will be served from our hot cocoa bar with all the fixings! Registration is required.
